The Only Conference Exclusively for Buy Here Pay Here!

The Only Exclusively BHPH Networking & Educational Conference!

ABOUT NABD: The National Alliance of Buy Here, Pay Here Dealers ("NABD") is the industry's largest used car

special interest group, with more than 14,000 members. It was created to educate, train, and promote the interests of the self-finance industry nationwide. NABD coordinates annual national conferences and other training events. Sponsors of NABD include automotive product and service providers, capital market companies, financial products and services, internal and social media trainers,

advertising and marketing companies, and others.

As a special interest group, NABD works closely with automotive associations and other industry organizations in representing the buy here, pay here segment of the used car industry. The NABD brand is nationally recognized as the premier special interest group for BHPH; it recruits and includes

leading attorneys, industry experts, and many of the nation's most successful operators.

NABD has conducted national training events for the last 19 years. In 2017, NABD held a successful conference in May at the Wynn | Encore Las Vegas, with over 1,200 attendees. This is our 15th Annual East Coast Conference, and our third consecutive year in Orlando. Our goal is the success of our members and sponsors.

EDUCATIONAL WORKSHOPS AND SPEAKING OPPORTUNITIES: NABD's educational program provides opportunities to develop new business through interactive attendee workshops and presentations to prospective customers who attend our Conferences. Take advantage of this exceptional opportunity to promote your products and services to our members!

What Our Sponsors Say about Past NABD Conferences:

"NABD was the single best presentation of events that I have experienced in my ten years in this industry. Record attendance and a dynamic line up of speakers and topics made for an outstanding three days. Ken and Ingram continue to build on previous shows and their hard work has paid dividends. Future NABD events are a can't-miss for industry participants and vendors." - Bill Caan, Cal Amp

"This was the best conference that I have attended in my 21 years in business. We had a record number of dealers come to our booth to learn about our products and we even had pro-active dealers sign up for our service right in our booth. Dealers at the NABD Conference were dealers who were serious about their businesses and were ready to act on products that can better their dealerships. Congrats on such a great show NABD!" - Bill Neylan, Tax Max

"NABD organized another impressive event in Las Vegas with a tremendous turnout! It's always exciting to see a diverse group of dealers come together with a focus on improving their business and the industry, as a whole. I'm already looking forward to the next NABD event!"

Dear Sponsor,

NABD is pleased to announce that it will host its 14th Annual East Coast BHPH Conference at the Rosen Centre in Orlando, Florida on October 23-25, 2017. We return to Orlando as the event was very successful there last fall. The Rosen Centre is located near the Orlando Conference Center, Universal Studios, less than 15 minutes from the Orlando airport, and is one of the finest Orlando properties. Shuttle services to the Disney properties and to Universal Studios are available. The conference facilities at the Rosen Centre are ideally suited for this program and for your families to enjoy Orlando. Rosen Centre was recently voted one of the 75 best meeting hotels in America.

- The Orlando venue will be designed for both new and experienced operators. The workshops will feature
 compliance, collections and best operating practices, and the theme is "Opportunity Knocks for BHPH".
 Our May 2017 show featured the most successful exhibit hall in NABD history and sponsors were very
 pleased with the event. This exhibit hall will be similar in design.
- 2. We have already begun assembling the educational agenda for Orlando and have received commitments from several speakers and sponsors. The program will feature dual workshop tracks on Tuesday afternoon and Wednesday morning. We will open the show on Monday afternoon and Tuesday morning with general speaking sessions.

You can reserve your booth by calling 832-767-4759, via fax at 713-680-2474, or by email to keith@kenshilson.com. Booth reservations are final upon receipt of your sponsor payment or deposit. Exhibit hall space is limited so participation is on a first come, first serve basis. The floor plan is attached for your reference and updates will be posted on our website at www.bhphinfo.com.

- 1. Discounted rooms are available at unprecedented \$179 rates with no resort fees. Our discounted rooms are available both three days before and three days after the show dates (subject to availability), for those who wish to extend their Orlando visit. The beautiful facilities and discounted room rates make this conference a must-attend.
- 2. NABD will offer meeting facilities and special amenities to sponsors who would like to have business meetings around the dates of the conference. Meeting space is limited so contact either Keith Shilson or myself as soon as possible. These special arrangements must be made as soon as possible because meeting space availability is limited. Sponsors who arrange advance meetings will be given preferred booth locations at the conference.
- 3. Our exhibit hall has been expanded from last year to accommodate all of our sponsor's needs. A preliminary floor plan has been posted on our website at <u>www.bhphinfo.com</u> and a copy is enclosed. The exhibit hall this year will be fully carpeted and perfectly sized to your needs. The exhibit hall and educational sessions will be located next to each other, and we have exclusive use of their loading dock. Platinum plus and Platinum sponsors can move-in on Sunday October 22nd, if requested in advance.
- 4. The conference begins on Monday afternoon, October 23rd, with general education sessions and a gala welcome reception including food and drinks in the exhibit hall at 6pm. Receptions, lunch, and breakfast during the conference will be held inside the exhibit hall to facilitate interaction with attendees. No educational sessions during the conference will be held during exhibitor hours but exhibitors may meet with prospects in the exhibit hall during the educational sessions.
- 5. The conference will conclude at noon on Wednesday afternoon, October 25th, so you can enjoy Orlando, or return home.

- 6. The Monday Wednesday facilitates travel and enables attendees to enjoy Orlando over the weekend, both before and after the conference, at substantial discounts.
- 7. NABD will again offer featured speaking opportunities to Platinum Plus and Platinum Sponsors to increase each attendee's knowledge of your products or services. Such speaking spots are by mutual agreement and are subject to availability. These spots will be assigned on a first-come, first-serve basis.
- 8. Pre-conference advertising will include listings of our committed sponsors which will enhance your business opportunities both before and after the conference. Booths will not be assigned until your sponsorship payment is received by us. Only one company per a booth will be allowed, no sharing.
- 9. Official Exhibit Hall Hours will be:

Monday, October 23, 6 pm - 8 pm, during the Welcome Reception Tuesday, October 24, 7:30 am - 8:45 am, during the Breakfast with exhibitors, Noon - 2 pm during the Luncheon with exhibitors & 5:30 pm - 7 pm, during the Cocktail Reception with exhibitors

Sponsors who need five or more rooms for the conference will need a subgroup agreement before making reservations at the Rosen Centre. Contact Joe Kearse at 832-767-4759 to arrange your subgroup.

Event Sponsorships:

Platinum Plus Sponsors will be designated as a conference event sponsor for a reception, luncheon or coffee or other activity. Your company will receive individual recognition for sponsoring these events and other special amenities during the conference. Anyone interested in an event sponsorship should call us for details.
