HEARD ON THE STREET

"WIN-WIN! Not only did I learn practices that will make me a better, more efficient operator, I will be much more profitable because I learned what not to do!"

- Lloyd Robertson, Lloyd's Auto Sales

"2016 NABD was the single best presentation of events that I have experienced in my ten years in this industry. Record attendance and a dynamic line up of speakers and topics made for an outstanding three days. Ken and Ingram continue to build on previous shows and their hard work has paid dividends. Future NABD events are a can't-miss for industry participants and vendors."

- Bill Caan, Cal Amp

"The NABD gives me a front row seat to all of our industries hot button topics. Now that I know what I don't know, I can direct my efforts to help improve my customers experience while protecting my bottom line."

- David Bearly, Dave's Greenlight Auto Sales, Inc.
