# Heard On the Street About **NABD BUY HERE, PAY HERE WEEK**

"With no hesitation or mental reservation I would state you put on one of the most well organized meetings I have ever attended."  
– *Ron Brown, CSI Group, Oklahoma City, OK*

"We obtained three of the best referrals I've ever considered for funding. Without this conference, I don't know that we would have been successful in finding funding options. Great show & I look forward to learning more!"  
– *Sean Cox, U-Save Car and Truck Rental, Colorado Springs, CO*

"Ken and Ingram did a phenomenal job with the programs!"  
– *Beth, Clay's Auto Sales, Hillsboro, OR*

"Just wanted to send you a note about how much I enjoyed the NABD conference. It not only reminded me of the basics in this business but showed me some new and ever-changing things to look out for. I have never been disappointed in anything you had a hand in. Thanks again."  
– *Lisa Bundy, CarGirl, Inc., Jacksonville, FL*

"Once again you topped yourself as the NABD week in Vegas exceeded all our expectations. Of our company's 18-year history, we have never seen so much traffic at our booth. The educational sessions were top notch and really on-point with today's topics. Your dealers are open to learn and willing to make decisions about their business."  
– *Bill Neylan, Tax Max, Tampa, FL*

"First time attendee. A longtime finance captive guy who runs a large RFC now. I found it very informative and plan to be back."  
– *John Palas, Darcars, Washington, DC*

"I enjoyed the Academy and plan to have others attend next year. Thought it was well organized and very much appreciated the time & effort in organizing the event."  
– *Francis Kibler, Sunshine Motors, York, PA*

"I should have attended training when I opened my operations! I now have some of the information necessary to improve my customers' experience with our company as well as our own bottom line. Thank you so much for this Academy."  
– *Dave Bearley, Dave's Greenlight Auto Sales, Greenville, IL*
